Day 4 Report: August 23, 2024

Team Members:

- Talha

- Omaima

- Tayyaba

1. Talha's Contributions:

- **Gallery and Reservation Pages:**

  Talha finalized the gallery and reservation pages. He made design adjustments, ensured color consistency, and shared the updated code with the team.

2. Omaima's Contributions:

- **Contact and About Pages:**

  Omaima completed the contact and about pages. She enhanced their design and functionality, and shared the updated code with the team.

3. Tayyaba's Contributions:

- **Services and Home Pages:**

  I worked on the services and home pages, ensuring they were functional and visually appealing. I also shared the updated code with the team.

Summary:

Today, all team members shared their respective code updates with each other. We successfully linked all the pages together, and the final website is now ready as a cohesive whole.
